

**St. Matthew Auction**  
**Anchoring our Foundation**

January 16, 2019

Dear St. Matthew Parishioners:

In just a couple of months we will be having our Third Auction to benefit St. Matthew. The event will take place on **March 16 at the Browns Point Improvement Club**. The auction promises something for everyone... a Live Auction, Silent Auction, Dessert Dash and Raise the Paddle. Dinner, wine and beer will also be part of the event. Our theme this year is "Anchoring our Foundation". We are excited to have Mike Stortini as our auctioneer.

**Ticket prices are \$50 for individuals.** The Improvement Club can accommodate approximately 20 tables. We are asking all of you to gather your friends, neighbors and family members to purchase a ticket and support this fun event.

*We need your help not only purchasing tickets, but procuring items for the auction. We have included a list of Auction item ideas we have garnered from members of other organizations who have had successful auctions in the area. If any of you who have connections with local businesses and/or services please let the Auction Team know. If you are not comfortable procuring the item, we can do it for you. We are hoping to have all of the items gathered by March 4, 2019. We have a special auction table for items located in the parish storage room. If you have just a few items to donate, no problem, we can always bundle them with other items. There will be regular announcements of auction items received, and also posted on the bulletin board in the parish hall.*

This auction promises to be an excellent means to support the mission of St. Matthew and our community outreach. This event is also an opportunity to bring the community together to share a fun filled evening.

Thank you for your support and let's get to work!
