

Beloved Community Meeting

April 8, 2021

Beloved Community Mission Statement

- We worked on revising our mission statement as a team
- We want to find a way to include “to tell the truth” and “to heal” in our mission statement
- Including “reconciliation” was also suggested
- To make sure we had time for our discussion, revision of the mission statement will take place via email with the team

Discussion

- At the meeting, our conversation-starter discussion was: Notice how language around you (in media, a conversation, a personal experience, etc.) is used to create division amongst us or communion
- We had such a powerful discussion with various perspectives being shared

Conversation-starter discussion for April 22, 2021 meeting: *Take the opportunity to experience or educate yourself about another culture (a food dish, an article, a film/documentary, a conversation, etc.) We will share our experiences at the meeting.*

Next Meeting: **Thursday, April 22, 2021 @ 5pm**

* For Zoom link refer to weekly St. Matthew Times emails or email Lorina at lorinagoodj@msn.com
